**HOME DELIVERY FOR
YOUR PRESCRIPTIONS**

Your Fast, Economical Option for Long-Term Prescriptions

Do you take prescription medications on a long-term basis for conditions such as asthma, diabetes, high cholesterol, hypertension or arthritis? You may not know that one of the benefits of your Express Scripts membership is having medications delivered right to your door at no additional charge. Besides saving you endless trips to your participating pharmacy, Home Delivery offers you a number of valuable advantages.

Save Money

With the Express Scripts Pharmacy, you could receive up to a three-month supply of your medication for the cost of a two-month copayment at a participating pharmacy. That's a savings of up to 33%.

Free Home Delivery

Once you and your doctor complete the attached form and your doctor faxes it to the Express Scripts Pharmacy, your prescription will be filled, shipped and delivered to your home or office, FREE of shipping costs, within 7-10 days.

Safe and Reliable

Two registered pharmacists check every order, and your prescriptions are shipped in plain, weather-resistant pouches for your privacy and protection.

Professional Service

A registered pharmacist is available to answer your questions anytime day or night.

Easy to Use

Just fill out the attached form and have your doctor fax it to the Express Scripts Pharmacy. Once you begin using Home Delivery, you can order your refills by phone or online at www.express-scripts.com.
